

# BIBLE STORY LOOK UP

**#TenaciousTopTips**

Hi kids, grown ups & families

Here is a little booklet to help you look up some famous Bible stories. Tenacious Kidz have created this especially for you. We are all about helping you to have family time with Jesus at home- and we hope this booklet will help you do that!

There are 52 Bible stories here, so either you can pick one to read each week this year, or you can just work through them at your own pace. To look up the verses, you can either use the Bible app on your phone (which is free to download), or you can use a physical Bible. If you are reading from a physical Bible (i.e. not an electronic Bible), then you can try to find the verses that you need by following our **six simple steps**:

1. Find the contents page at the front of the Bible
2. Look for the page number that the book you are looking for is on (e.g. Matthew/ Psalms)
3. Flick through to find that page number
4. Find the BIG NUMBER you are looking for (which is the number that shows you what 'chapter' it is)
5. Inside that chapter there are lots of little numbers. Look for the LITTLE NUMBER (this shows you what 'verse' it is)
6. Start reading – you could take it in turns to read out loud

Once you have read a story, try to discuss with your kids: **1)** What it means **2)** What they learnt **3)** What they can challenge themselves to do now they have read it
